Dear Sirs,

We, **HIGH ART Eng.** Consultant, would like to use this opportunity to reintroduce ourselves to your esteemed organization.

According to our clients, assiduousness for quality promise and hard efforts to contribute better, those who commend our company's approach through the markets of UAE expansively, which was accomplished with our relentless work conduct and experience of our proficient employees.

HIGH ART ENG. Consultant are proud to posses : the vast • experiences of our attentively selected personal that have the pleasure of a long professional record in national and overseas markets in the fields of architecture , planning , engineering , structural design and supervision, interior design.

We at HIGH ART ENG. Consultants believe that saying "nothing succeeds like success" with the efforts of our professional employees and crave for standard quality in this vogue.

We as a team give credence to never ending improvement in this competitive market.

We have the pleasure to submit our briefed pre-qualification as per your requirements. We hope our experience staff and quality of work included will match your requirement to get a place on your list of pre-qualified consultant in design field.

Waiting for your response , we will be glad to have your support and co-operation in UAE.

- **INTRODUCTION**

HIGH ART Consultancy has established in 2004 in Dubai under the management of the founder Arch. **HamdiHassan**.

Using the highest standard technology of professional services since the beginning **HIGH ART** has grown quickly to be one of the most significant local entities in Arch./Eng. Field.

HIGH ART has a permanent team of specialists possesses a vast experience in related fields and they are able to work on any type of projects such as residential , commercial , industrial , hospitals , clubs , schools.....etc

During last two years, we executed the construction of more than 100 sites with a complete architectural and engineering services with the satisfaction of our client municipality and other authorities.

- **MISSION**

- Our company has grown to be the most significant local entity in the field of architectural & engineering consultant in Dubai due to a combination of hard work team effort , and an uncompromising commitment to the highest standards of services quality

- **VISION**

- We persist in contributing the clients with excellent quality of service and the best value for their money . We don't want only to exist as the leaders of our business, but to be there in the top of this highly competitive market.

- **SERVICES**

- Our consultancy services comprise the following

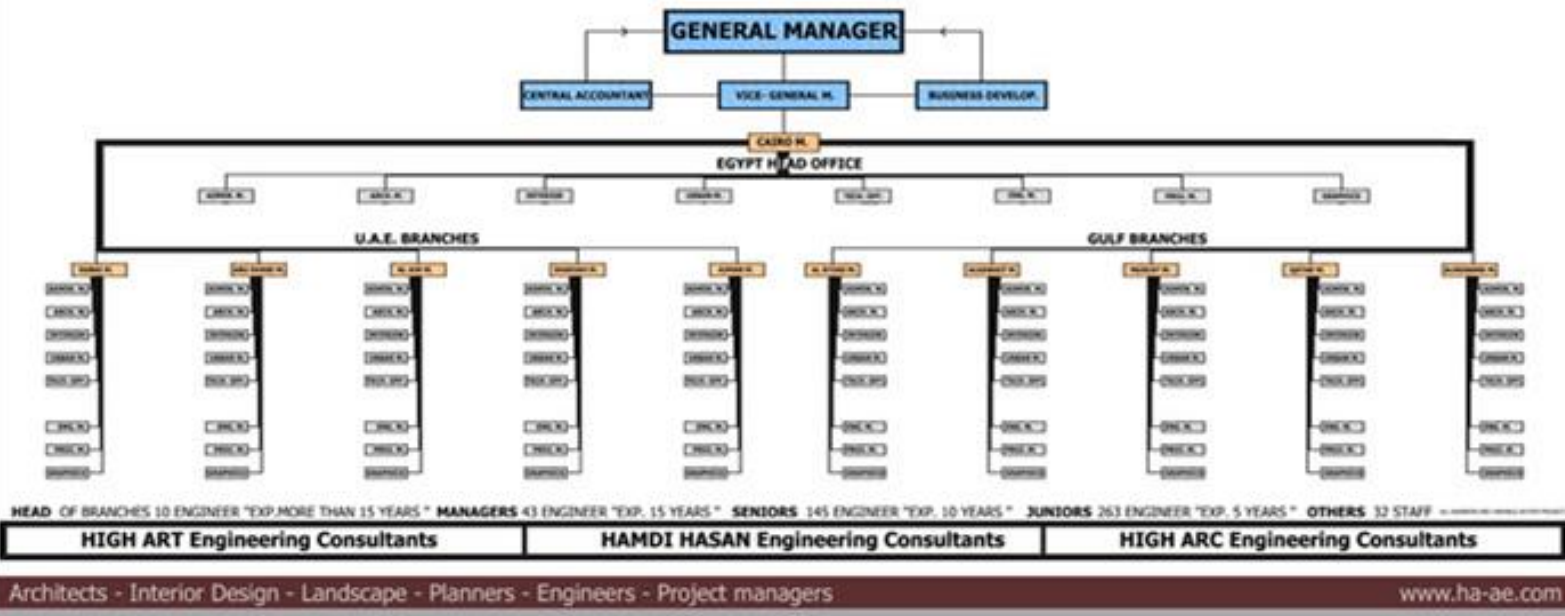

DESIGN SERVICES

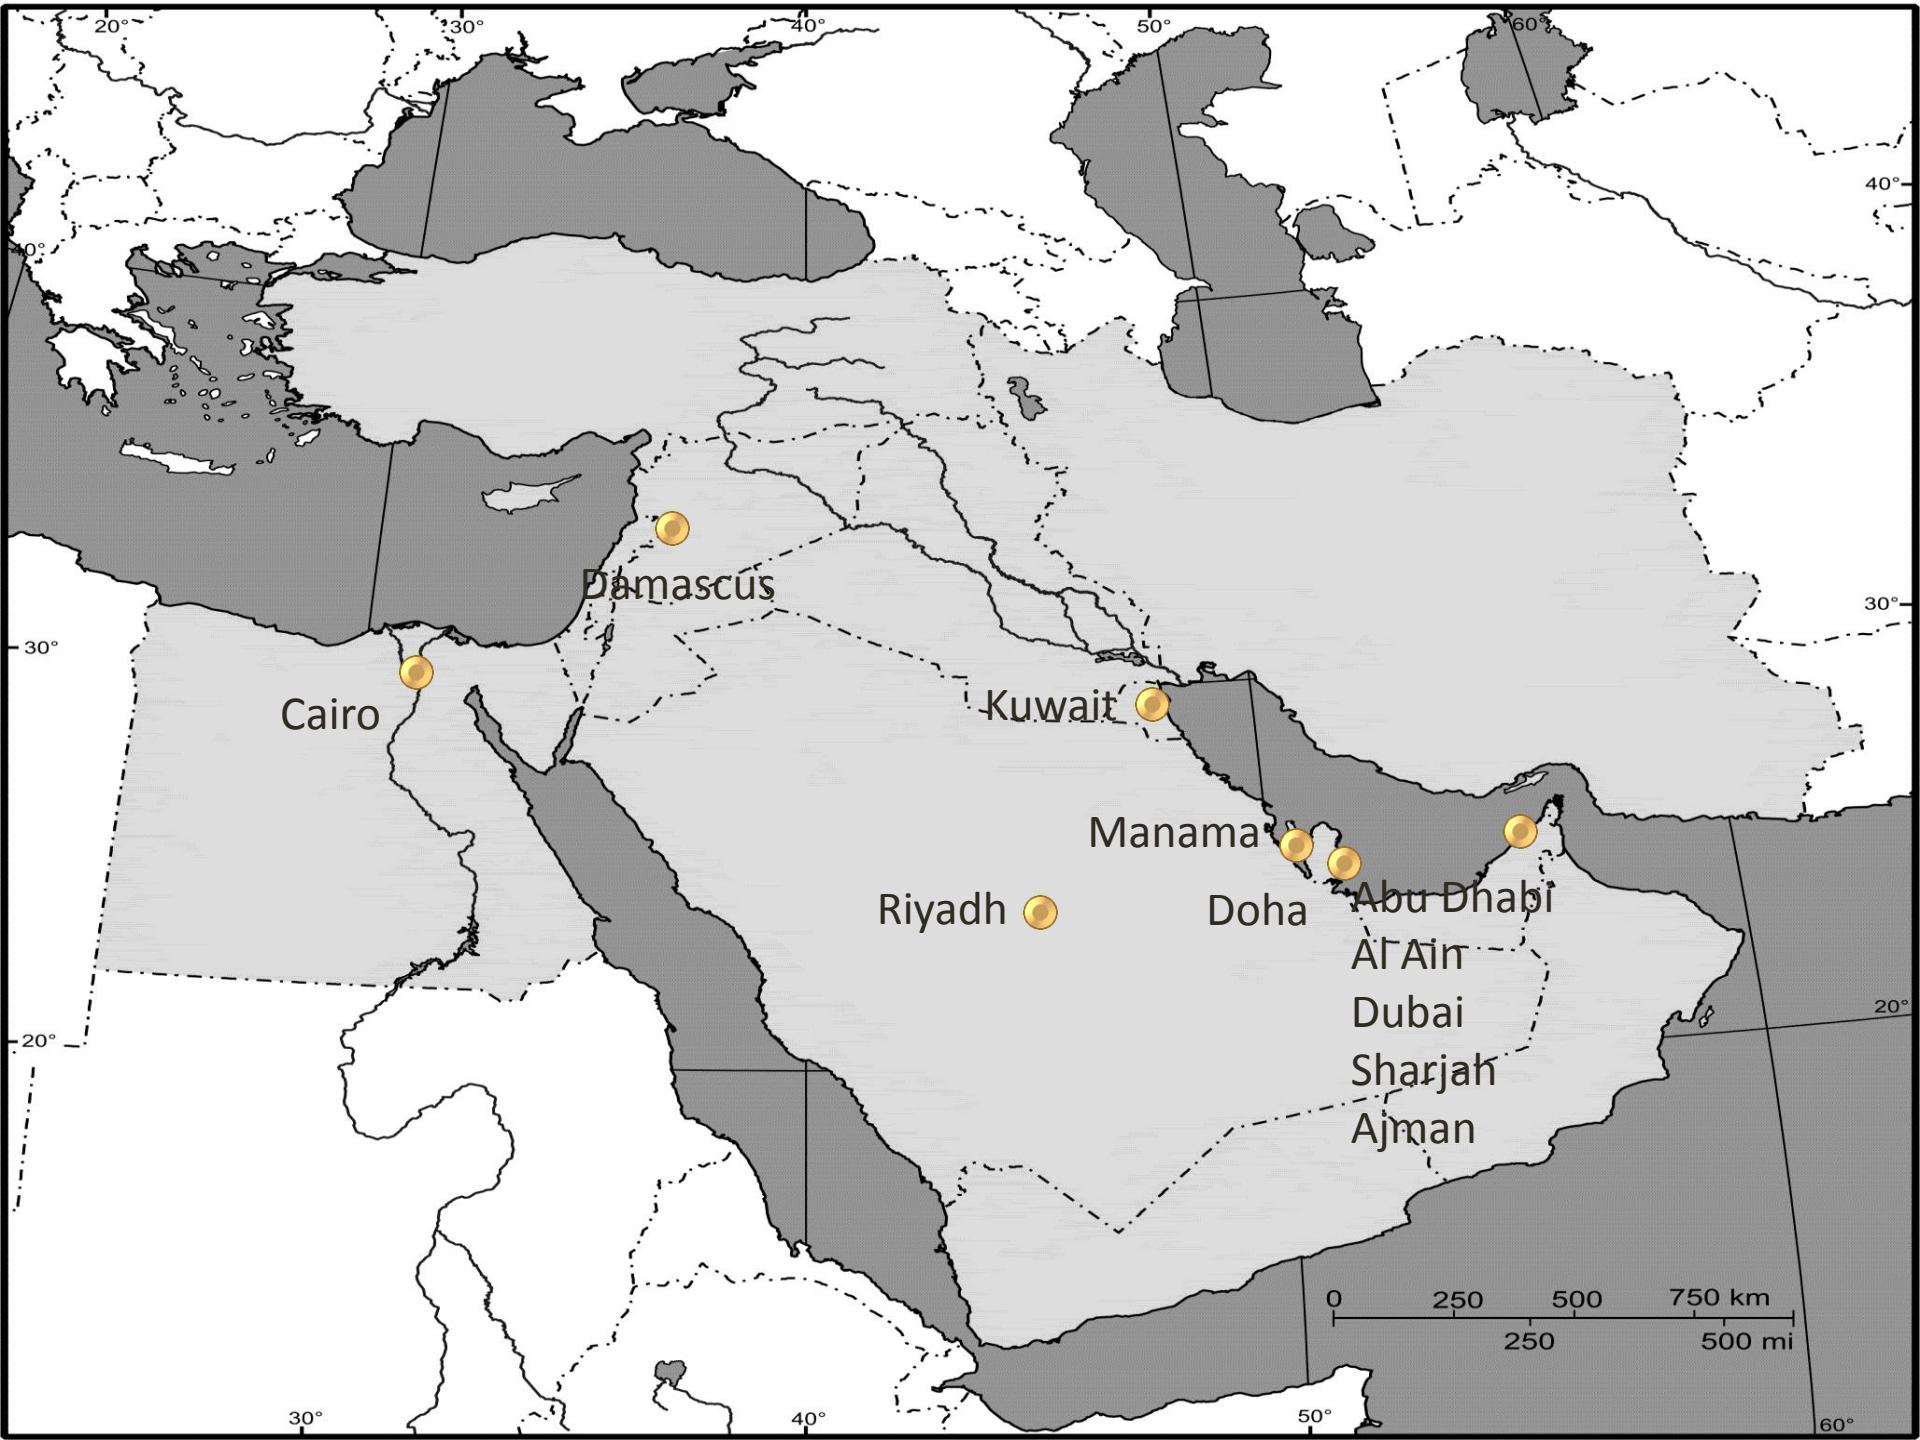

- Architectural Design
- Interior Design
- Structural Design.
- Engineering Design
- Tender Action
- Contract Award

CONSTRUCTION SERVICES

- -Contract Administration
- -Supervision of the work
- - Project financial control
- - Information Management
- - Quality control and safety management

- We include 1k the few following pages some of our recently Designs for towers , buildings and villas.
- A clear vision and hard work are success of arch. **HAMDI HASAN** hallmaker as founder and manager of the most talented architectural consultant in Dubai
- Just with the sunrise of our vision that come to field with the establishment of the **HIGH ART ENG.** Consultant with Eng. **Emad Al Hashmi** in Dubai.
- Each project " is sensitive to the culture and climate to its place"
- Since Stonehenge ; architects have always been at cutting edge of technology , and you can't separate technology from the humanistic and spiritual content of a building.
